 - C. Christ's example of this type of ministry
 - 1. Philippians 2:5-8
- UI. CONCLUSION THE FRUIT OF A DISCIPLING CHURCH

yourself and your hearers.

SERMON REFLECTIONS

1. What are some of the dangers of focusing on only one aspect of discipling (life and teaching)?

2. How can it benefit a discipling relationship to offer knowledge, experience, and coaching? How might a disciple be hindered if he or she is not offered these three elements of discipleship?

3. In what ways might this message influence your own discipling relationships?
